

PDE Demo Loan Program:

Thank you for your interest in the PDE dynamic spring system. To date, we have hundreds of successful patients using the PDE spring system to address many types of conditions including, general ambulation, rehabilitation and high activity!

We understand the uniqueness of this product and the desire for you and your referral sources to evaluate the system before prescribing this device to a patient. To accommodate this we have developed a Demo Loaner Program.

The PDE System is designed to be used for both low and high activity dynamic devices as well as prosthetic partial feet and unloading type braces.

Please see the image below as an example of the PDE demo device we will be sending out.

Note: Demo device is for display and marketing only. Brace is not intended for patient use.

Please contact staff@fabtechsystems.com or call 800-FABTECH to arrange the next available PDE Demo.
